Beckman Catholic High School
Annual Report 2016-18
A Message from Our Leaders

FROM THE EXECUTIVE COORDINATOR

Greetings from Beckman Catholic! My name is Marcel Kielkucki and I am the new principal at Beckman Catholic. I have thoroughly enjoyed working with our staff and students and getting to know our families and the greater Beckman Catholic community during these first few months in this new role.

My wife, Sarah, and I currently live in Manchester with our two children, Gabrielle and Joseph. Gabi is in her third year at Beckman, having started here in 7th grade, and Joe just started at Beckman this fall as a 7th grader. When we moved to Manchester in 2005, we were looking for a community closer to Cedar Rapids—where my wife was working—and that also had Catholic education nearby. We sent Gabi and Joe to St. Mary’s in Manchester and worked with Mr. Meade as they finished at St. Mary’s on arranging transportation for Gabi to attend Beckman as it was our intention to continue their studies at a Catholic high school. When the principal’s position opened with Mr. Meade’s retirement, an opportunity emerged for me to join Beckman in a greater capacity and my experiences as the parent of two students helped me to know that it was an opportunity I could not pass up.

Both Sarah and I were fortunate to have received Catholic education for the majority of our schooling. I was able to attend Catholic elementary, high school and college. I attribute much of the success I have had so far in my professional career to the strong foundation that was formed in my Catholic school experience. I am pleased to be able to join the Beckman Catholic community in this new role and to build upon the good work that has been happening and continue to help students to gain the tools to experience success in this life and the next.

This report highlights one of the assets of Beckman Catholic—a strong tradition of financial support from friends, parents, parish, and alumni. We want to take this opportunity to acknowledge and show our gratefulness for the generosity so many of you demonstrate through your gifts. It’s your support that allows Beckman Catholic to continue to provide Catholic education to students in our communities. As the cost of keeping a quality Catholic school increases we are blessed with so many who contribute to help others have the opportunity for a Catholic education.

This past year, Beckman Catholic had a milestone as we officially chartered our own FFA chapter. As a motto, the FFA students this year chose “keep a tradition, start a legacy.” It is my goal to fulfill that motto as well as I work in collaboration with our faculty and staff. Your contributions also help us to make that motto a reality as you help us to build on our strong tradition of Catholic education and your gifts have the potential to leave a legacy for years to come.

Please remember that God so loved the world that he gave his Son for us. We will continue to keep you and all the friends of Beckman Catholic in our prayers until then. Thank you.

Sincerely,

Principal

GROWING UP, REPORT CARDS WERE A BIG DEAL TO ME. I PUT FORTH A LOT OF ENERGY AND HARD WORK TO GARNER GOOD GRADES. THANKFULLY, I HAD MANY GOOD TEACHERS AND I WANTED TO PLEASE THEM AND MY PARENTS.

FROM THE PRINCIPAL

We strive for transparency to maintain your trust. I hope that you will grant us “high marks” as we endeavor to form young people in ways of holiness and truth. Please remember us in your daily prayers as we work together to blaze a trail to the pearly gates of heaven.

In Christ,

Beckman Catholic has left a lasting imprint on my life. I have grown in my faith, gained knowledge, and made lifelong friendships. There are endless opportunities for me to grow closer to Christ through weekly Masses, adoration, and daily prayer. I love that we are able to start every class period with prayer and share our faith with each other. The wide variety of classes offered allow me to try and learn new things. They developed my love for science and agriculture that blossomed into opportunities to travel the country with FFA and Science Research. Beckman Catholic has given me a support system that is always there to help. Simply, nothing compares to the faith-centered education offered at Beckman Catholic.

A depiction of the mission of Beckman Catholic: lifelong learning, personal growth and spiritual development rooted in Catholic teachings.

Artist, Austin Glendenning

Bronze Mural

The group of students shown in the foreground are guided onward by Christ, along what is observed to be the righteous path toward understanding. Beckman Catholic is showcased along their route of devotion that continues beyond their years of schooling. Above, the clouds begin to clear from the sky as three doves are taking flight, symbolic of the Holy Trinity. The abundance of foliage that frames the composition assists a concept of growth and progression. This idealized scene is meant to signify that the path on which they traverse is sound, and in this way Beckman equips students with the tools necessary for a fulfilled future.

Attending Beckman Catholic School was an experience that taught me how to think and how to learn, which has helped me whether I was doing music, finance, or anything in between. It is also a welcoming place where I came in as a new kid from out of town as a freshman and left with a lot of what turned out to be lifelong friends. The lessons I learned at Beckman stayed with me as I continued my education and throughout my career at William Blair. Beckman means the world to me.
