UPDATE FROM THE PRINCIPAL

Thank You!

It's hard to believe that our school year is almost at an end! Time has flown by. I have thoroughly enjoyed getting to know our students, faculty, staff, and the larger Beckman community in the past year. It has been a good first year, and I look forward to the opportunities that await us in the years to come!

To our seniors and their parents, congratulations on this milestone in your lives! Parents, thank you for allowing us the opportunity to work with and to get to know your sons and daughters. They are

a great group of young people with lots of potential. It's been our honor to help prepare them for the next steps in their lives. Seniors, it's been an honor to work with you this past year. I've enjoyed getting to know you, and we wish you the best with all that your futures hold!

Jr High and High School Semester Test Schedule

As in past practice, HS students will operate under an Open Campus policy, only needing to be present when they have a scheduled test. Junior high students need to be here for all periods.

	Wednesday, May 29th	Thursday, May 30th	Friday, May 31st
8:30am-9:45am	Period 1 Test	Period 4 Test	Period 7 Test

Host Families Needed

We are still looking for host families for the 2019-2020 school year. We for sure have two students wanting to attend next year looking for homes with the potential for additional students. Families do receive a tuition credit for hosting students. If you are interested, please contact the office for additional details.

College Credit Instructors Needed

In collaboration with NICC, we are looking for college credit instructors to assist us with the offering of additional college-credit opportunities at Beckman for our students. To be eligible, you must have a masters' degree along with at least 18 graduate credits in that field of study. For example, if you were to teach a math course, you would need a master's degree and 18 of your graduate credits would need to be in math. We are looking in particular for someone to teach macroeconomics next year, as Mr. Breitbach would prefer to fully retire from teaching. We are also open to other subject areas. You would receive payment from NICC for your time, and we would work to be as flexible as possible with your schedule. If you are interested or know of someone that might be a good teacher for us, please contact me, Mr. Devereux, or Mrs. Atwater.

2019-2020 School Calendar

Included with this newsletter is the school calendar for 2019-2020 again for reference. We again will be counting hours instead of school days and have scheduled nearly 1150 hours, which is more than the State of Iowa requirement of 1080 hours. We are following the Western Dubuque calendar as much as possible, which has fewer early dismissals for professional development. Additionally, we only have 2 days with no busing in the first semester. This calendar is similar to the ones we have had the past few years.

We want to continue with our semester testing, so we will end the 1st Semester before Christmas as usual. This makes for a shorter 1st Semester and a longer 2nd Semester, but we feel the semester testing we do is good preparation for standardized testing, as well as for students going to college. The one change with this calendar is that we would have a snow make-up day for semester tests on

Monday, December 23rd instead of Saturday, December 21st. Hopefully we won't have to utilize this option.

CURRICULUM REPORT

MTSS Intervention/Activity Period

We have continued to monitor data on the effectiveness of our activity period intervention. We have seen a 48% decrease in deficiencies and an 84% decrease in failing grades. Providing students with academic enrichment and extension activities during this time is a growth area for us.

Spring Parent Teacher Conferences

We had an attendance rate of 74% of parents at our Spring Parent Teacher Conferences. This is indicative of a downward trend in conference attendance dating back 15 years. PowerSchool and email has led to a universal decrease in parental attendance.

Testing

We have conducted ISASP testing throughout March. Both students and staff have expressed it as being a positive experience. Beckman will receive results in October. We have used Fastbridge and ACT Explore /Plan as interim assessments for students.

IMPORTANT NOTES FROM SCHOOL NURSE

Senior Class Immunization Records

The senior class immunization records will be in the envelope with their diploma which students will pick-up from the office on May 19th (Graduation Day). The information is necessary for college, military, and some jobs as entrance requirements. Please file them in a secure place. It would be a good idea to start a health folder at home. The school **will not** have a copy of your child's immunization record at school.

PAPER WORK TO COLLECT OVER THE SUMMER FOR SCHOOL YEAR 19-20

When registering your child on PowerSchool this summer, **please** read questions carefully. Too many times parents are marking yes to allergies, asthma and special needs. Review the information that is currently in PowerSchool and delete any information that does not currently pertain to your child at this time.

The Iowa Department of Public Health requires that **all** students entering **12th grade** have the Meningococcal vaccine before school starts this fall. Please turn in an updated immunization card by the first day of school. **There will be no grace/extension period for the implementation of this requirement.**

All incoming 7th grade students are required to receive one dose of Tdap and a **one-time dose of meningococcal (A, C, W, Y) vaccine**. Please turn in an updated immunization card by the first day of school. **There will be no grace/extension period for the implementation of this requirement.**

All 9th grade students are required by Iowa law to have a dental screening done by a dentist or dental hygienist. Have the dentist complete a dental health screening form, which is available at the dentist office or Beckman website. If your child has been to the dentist already this year, contact your dentist and have them send the form to Beckman.

Students with diabetes, asthma, seizures, or allergies, and students who will be taking prescription medications at school will need a **Request for Medication to be given at School** form completed by a physician and signed by the parent. This is needed in order to take insulin, Glucagon, Epipens, or inhalers at school. Medications will not be administered without an order. A new order is required every year. Contact your physician this summer to obtain the required orders.

If your child has a diet restriction such as allergies or lactose intolerance, a diet modification form needs to be filled out by your physician. If a diet modification form is already on file here at school, a new form is not needed. Diet modification forms are available at school.

Thank you and have a safe summer!

UNIFORM CLOTHING

Beckman Catholic is always in need of uniform clothing to have on hand at school. Occasionally we have students in art who spill paint and need a replacement. In the past, there have been students who have had a bloody nose or became ill and needed to have a clean shirt available. If you have a student graduating, please think of us when you are cleaning out his/her closet. Also, if you have a student who may have outgrown some uniform polos, skorts, or slacks and you would like to donate them, we will put them to good use. Our greatest need currently is large/extra-large mens shirts and skorts or girl's slacks.

WORLD FOOD PRIZE

The World Food Prize Iowa Youth Institute at Iowa State University was held on Monday, April 29th, 2019 in Ames, Iowa. Students presented their research to a panel of experts and participated in immersion sessions on the Iowa State campus.

This year, Beckman Catholic High School participated in the event, with teacher Cheryl Kluesner accompanying Lauren Goldsmith, Sean Kluesner, Collin Knipper, Michael Roling, Evan Schlarmann, Adam Schmitt, and Adam Wessels. Each student received a \$500 scholarship to ISU.

MATH DEPARTMENT NEWS

On April 1st, eight Beckman Catholic High School students competed in the annual Trig-Star contest. The competition is sponsored by The Society of Land Surveyors of Iowa, in conjunction with The National Society of Professional Surveyors and presented by our local land surveyors. Mr. Bill Burger administered the complex problem-solving test, which relies heavily on trigonometric skills. The students use these mathematical functions and principles while exploring real situations surveyors might encounter in their profession. The winner, Elizabeth McGrane, completed the most questions correctly with the best time and was paid a \$100 reward. Thank you to all that participated. This is one of three math contests the Beckman Math Club participates in throughout the year.

CAFETERIA NEWS

Please have your lunch accounts paid up at the end of the school year. We do not want any negative balances during the summer. Please keep in mind that any seniors with unpaid balances will not receive their diplomas. If you have any questions, please contact Scott at Beckman.

A salad bar is accessible to all students so that they may get an extra helping of fruits and vegetables to complement their meal. You can never have too many fruits or vegetables!

One last item to bring up is that our menus are located on the Beckman home page: Lunch info & menu; then click to view this week's menu.

MARCH FOR LIFE

Every year on the anniversary of the Roe v. Wade Supreme Court decision that legalized abortion, hundreds of thousands of people gather to be a voice for the unborn. January 2020 marks our 17th year of traveling to Washington D.C. to march with others in support of life. ALL future 8th

graders, regardless of the pilgrimage, will study life issues in theology class, write essays and help promote Life awareness at a weekend Mass by distributing roses on Mother's Day or lifesavers in October.

The trip will be January 22-26, 2020.

Cost: approximately \$400 per person. Fundraising is available at school with concessions and Gala. Anyone interested in working the Toy Show (summer or fall) should contact Dyersville Commerce directly. Please contact us early with funding any questions or concerns; there is scholarship money available for those who have need/interest.

The bus leaves Wednesday night, January 22, 2020

The March is on Friday, January 24, 2020

The bus returns home Sunday afternoon, January 26, 2020

Participation requirements include options of monthly meetings and various pro-life events, especially in the month of October.

Our primary purpose is to engage students as well as families in supporting and respecting life. Throughout the fall, students will attend monthly preparation activities to strengthen their awareness of life issues. We encourage and expect family support and participation as well. Next year's 8th graders are particularly encouraged to make this pilgrimage with their classmates. Parents of 7th graders (soon to be 8th graders) received an emailed form with information regarding the event. If you have not already done so, please discuss this trip with your son/daughter and **respond to the online form by April 30th** indicating if your 7th grader intends to participate. This is not a commitment, as applications will be distributed in August; however, your response will provide a preliminary count to help us in ordering buses and reserving rooms. Also to let you know about opportunities to stay involved. In addition, we would appreciate your help with Mother's day roses at your parish

Contact Anna Durr via email adurr@beckman.pvt.k12.ia.us if you have any questions. Beckman is looking forward to a strong Pro-Life group of pilgrims!

CHROMEBOOKS

Just a reminder that all students will turn in the chromebooks assigned to them at the end of the school year. This includes laptop and charger. Students will complete a form at the time of turn-in identifying any repair needs the laptops and chargers may have. It is important that all repair issues be reported on the "turn-in" form as this is the end of our three year cycle for these leased Chromebooks and all laptops have to be in good/workable condition prior to being sent to the leasing company. Returning students will receive a new laptop, charger, and case at the beginning of the 2019-20 school year. Seniors will turn in laptops and chargers at graduation practice, which takes place the last day of their scheduled semester tests. Note: students failing to turn in laptops and chargers will be charged for the replacement of these items. If parents/students are interested in purchasing a used chromebook, pricing is available. Contact Beckman Catholic (jderr@beckmancatholic.org) for details.

SCHOOL COUNSELING UPDATE

NICC Placement Tests

Parents of juniors:

Juniors have the opportunity to enroll in seven classes that award dual credit at Beckman and at Northeast Iowa Community College for the 2019-2020 school year. Students who enroll in the NICC courses must complete an NICC registration form. A representative from NICC will assist the juniors with this online registration process on May 1st. There is an additional requirement for the NICC Senior Composition courses. Students must receive an ACT English score of 18 or a Writing score of 5 on the Accuplacer Writing Section. If a student does not meet this requirement, the student can take Senior Composition for Beckman credit only. The Senior Composition course fulfills college entrance requirements at four year colleges but does not earn college credit.

ACT TESTING

The final ACT test dates for the 2019 school year are June 8th and July 13th. Students who want to take the ACT college entrance test must register online at www.actstudent.org. The registration deadlines are May 3rd and June 14th. Preparation materials are available in the counseling office and online

Last month, Jason Derby, a teacher from Cuba City, provided free ACT training for anyone who wanted to attend. Beckman had a great turnout!

Last month, the 8th and 10th graders completed the PLAN and EXPLORE test. This test is created by ACT and is another practice tool for students to familiarize themselves and prepare for the ACT. Student will receive their score reports at the end of the year!

VOCAL MUSIC NEWS

As we wrap up the school year, I would like to express my appreciation to all vocal students and their families for a wonderful school year!

The Spring **Dessert Concert & Awards Ceremony** for all Beckman Choirs (Grades 7-12) will take place on **MONDAY, MAY 13 at 7:00 PM** in the Beckman auditorium with a dessert reception to follow. This event will include performances by all high school choral ensembles as well as student solos and small groups and vocal awards earned throughout the school year. It is my hope that every vocal student continue to participate in choir next year, and I also encourage new faces to partake in the ensemble experience! We would love to see the department continue to grow! **Research has found that EVERYONE is able to sing well -- it is a learned skill that gets better with practice and worse with disuse!**

Congratulations to our graduating seniors! You will undoubtedly be irreplaceable! This year we bid farewell to *nine* senior choral members. Words cannot express our thanks and appreciation to the following students for their hard work, talent, and devotion. Congratulations to Isabelle Bennett, Haley Burlage, Josie Deutmeyer, Matt Halverson, Catherine Koetz, Kolyer Kruse, Maya Osterhaus, Lacey Schmelzer, and Nicole Schmitt.

BLAZER SAVER COUPON BOOK - Now available

The Blazer card has always been a great fundraiser for many organizations and teams at Beckman Catholic. Because of its success in the past, we wanted to continue selling it this year. Some adjustments and additions were made and we were able to increase the value of the book from \$240 to over \$600. Junior High Student Government, NCYC, Boy's Golf, Disc Golf and the Wrestling team are all participating this year. It still only costs \$20 but the look is totally different and has many more coupons available for you. If we missed you on our blitz night, Monday April 15th, we apologize. If you would like to purchase one, please reach out to someone in one of these groups, stop at Beckman or call/email Kristie and she will make sure to get you one. They will be available for purchase until 12/31/19.

Thank you to the following businesses for participating in this program: Tauke Motors, Subway, Styles by Angie McDermott (Located at The Hair Pantry), Rolling Knolls Golf Course, Reicher Shoes, Randy's Neighborhood Market, Quiznos, Quik N' Handi, Pizza Hut, The Palace Saloon, Just For You, J&R Fashions, Happy Joe's Pizza, Furniture-Land, Dyersville Golf & Country Club, Dyersville Comics & Games, DQ Grill & Chill, Chan Garden, Chad's Pizza, Buffalo Wild Wings and Brew & Brew. Because of your generous donations five of our organizations were able to raise money to help with some expenses they see along the way each year.

BIRDIES FOR CHARITY - Has started

We will be participating in Birdies for Charity again this year. John Deere Classic week is always exciting. Not just for the tournament, but for what the tournament means for nonprofit organizations such as Beckman Catholic High School. Since 1971, the John Deere Classic has delivered over \$90 million to regional charities, most of it through this innovative program. No other event on the PGA TOUR does it better - and it's the generous and hardworking nature of this area that makes it happen. It is gratifying to know that 100% of every pledge collected for Beckman Catholic goes directly to us. The John Deere Foundation covers all administrative costs to make that possible. Plus, the tournament takes its profits each year and delivers a second check from between 5% and 10% of that charity's final total to make the deal even sweeter.

The Birdies for Charity program kicked off after the Masters ended in April. Chip in for your chance to win. All you need to do is simply fill out a pledge card with your contact information and pledge amount (please see pledge card below and print out or stop in at BCHS to pick one up). Pledges need to be at least \$0.01/birdies or a one-time flat donation of any amount. You will also be able to guess the number of birdies recorded during Wednesday- Sunday of the John Deere Classic for your chance to win a 2-year lease on a 2019 Lexus NX car or other prizes. After the tournament, you will be invoiced based on the number of birdies recorded, not the number you guessed. Last year there were 2,355 birdies. For example, if you pledge \$0.01 per birdies and 2,000

birdies are recorded, you will be billed for \$20.00. Individuals who guess the correct number of birdies will automatically have a chance to win a 2-year lease on a 2019 Lexus NX. A blind drawing reduces the number of correct guessing donors to five - with the final five having the chance to turn an ignition key themselves at a live event. One key starts the car. Other great prizes are randomly assigned and include a John Deere riding lawn mower, John Deere Classic Tee Marker and more.

Birdies for Charity is a unique and fun way to donate to Beckman Catholic High School. If you decide to pledge, make sure you use Beckman's Birdie # 1899! Please send in your form to the address provided or drop off at Beckman. Any questions call Kristie at 563-875-7188. **Deadline for pledge is July 7th.**

The 2019 Birdies for Charity Bonus Fund continues the bonus promise

The Birdies for Charity Bonus Fund was established to support the continuing efforts of the John Deere Classic, a 501(c)(3) not-for-profit organization, to provide bonus dollars to participating charities. To qualify, charities must be publicly supported and recognized by the Internal Revenue Service as a 501(c)(3) organization. All charitable contributions must come from a designated donor, and must not be part of a capital campaign. The Birdies for Charity program is intended to support charitable organizations, services, operations and programs. It is not intended to be used for endowment or brick and mortar charitable purposes.

As before, the tournament will provide a bonus to all participating charities. This year, all charities will be guaranteed a 5% bonus on amounts up to their prior year pledge total, or \$100,000, whichever is greater. Additional bonus dollars will be based on tournament revenues. The Birdies for Charity Bonus Fund is the source of these bonus dollars. This fund is supported with dollars from tournament revenues, individual donors, and corporations. These dollars will be distributed annually, and are designed not to compete with, but to enhance the benefits for the over 500 charities that participate in the program. So, if you are not already participating, this is the year to hop on board.

Chip in for your chance to win

When you chip in to help area charities, you can win some great prizes. But your favorite charity will be the real winner. That's because participating charities receive every single penny of the donations from this program, plus a bonus from the Birdies for Charity Bonus Fund which is a guaranteed 5% match.

HERE'S HOW IT WORKS

Simply make a one-time flat donation OR pledge one cent or more per birdie. After the tournament, you'll be mailed a notice of your pledge amount due.

To enter the contest, guess the number of birdies that will actually be made by Tour Pros during the tournament, Wednesday through Sunday. A grand prize will be given to one person who guesses the correct number. In case of ties, winners will be randomly selected.

KEEP FOR YOUR RECORDS

Your pledge is based on actual number of birdies scored.

I pledge \$ _____ one-time donation
 OR \$ _____ per birdie

If 2,000 birdies are made, my total pledge would be:

1¢ = \$20	3¢ = \$60	5¢ = \$100
2¢ = \$40	4¢ = \$80	10¢ = \$200
