

# Beckman Catholic School Supply List

**Every student is required to bring two boxes of tissues to be turned in at registration or in the office on the first day of school.**

**Each family please bring one container of disinfecting wipes.**

**SCHOOL SUPPLIES:** As you are purchasing paper school supplies, keep in mind your student(s) will have access to the Chromebook at all times. Students may still need some paper, folders and notebooks, but our goal is to be as paperless as possible.

**BOOKCOVERS:** All textbooks at Beckman Catholic High School must be covered, the Beckman Booster Club has kindly donated book covers for all of our students. These will be available in the office. **We do not allow the stretchy cloth or the sticky contact paper book covers to be used;** we have found they damage the textbook bindings.

**Earbuds/Headphones-Each student needs to have earbuds or headphones that will work with their Chromebook.**
